

Commodity Credit Corporation, USDA

§ 1480.8

(c) As a condition to receive benefits under this part, a producer must have been in compliance with the Highly Erodible Land Conservation and Wetland Conservation provisions of 7 CFR part 12, for the 2001 or 2002 crop year, as applicable, and must not otherwise be barred from receiving benefits under 7 CFR part 12 or any other law.

§ 1480.5 Time for filing application.

Applications for benefits under the 2001 or 2002–Crop Disaster Program must be filed in the county FSA office serving the county where the producer's farm is located for administrative purposes before the close of business on August 25, 2003, or such other later date that may be announced by the Deputy Administrator.

§ 1480.6 Limitations on payments and other benefits.

(a) A producer may receive disaster benefits on either 2001 or 2002 crop losses as specified under this part.

(b) Payments will not be made under this part for grazing losses.

(c) CCC may divide and classify crops based on loss susceptibility, yield, and other factors.

(d) No person shall receive more than a total of \$80,000 in disaster benefits under this part, unless otherwise specified.

(e) No person shall receive disaster benefits under this part in an amount that exceeds 95 percent of the value of the expected production for the relevant period as determined by CCC. The sum of the value of the crop not lost if any; the disaster payment; and the net crop insurance indemnity, cannot exceed 95 percent of what the crop's value would have been if there had been no loss.

(f) A person whose gross revenue is in excess of \$2.5 million for the preceding tax year shall not be eligible to receive disaster benefits under this part. Gross revenue includes the total income and total gross receipts of the person, before any reductions. Gross revenue shall not be adjusted, amended, discounted, netted or modified for any reason. No deductions for costs, expenses, or pass through funds will be deducted from any calculation of gross revenue. For purposes of making this

determination, gross revenue means the total gross receipts received from farming, ranching and forestry operations if the person receives more than 50 percent of such person's gross income from farming or ranching; or the total gross receipts received from all sources if the person receives 50 percent or less of such person's gross receipts from farming, ranching and forestry.

(1) Purchase crop insurance with additional coverage on that crop for the 2003 and 2004 crop years for the insurable crops.

(2) NAP coverage by paying the administrative fee by the applicable State filing deadline and complete all required program requirements including yearly acreage reports, for the non-insurable crop for both 2003 and 2004 crop years

(c) If any producer fails to purchase crop insurance and/or NAP, as required in paragraph (a) or (b) of this section, the producer shall reimburse CCC for the full amount of the assistance, plus interest, provided to the producer under this part.
